Civil Pension Rules

While the Comptroller has no remarks to offer on any of the proposed amendments he has suggested for consideration the following Consequential alterations in relevent other Articles of M.S.R.

(1) 1) An draft amendment to Art. 272 (b) M.S.R on the lines suggested in item no 1 of Comptroller's letter is put up for approval.

(2) 2) Article 280 M.S.R. prescribes the extent of leave with and without allowances that an inferior Servant Can Count for pension. Whether this concession should still Continue or whether they may Count only the leave

under Art. 276 M.S.R, like Superior Officers is for Consideration and Orders.

3) Article 334 (exception) gives the option to inferior Officers to take gratuity in lieu of pension. It is for Consideration whether this exception (3) should continue. ~~or amended~~. If it should be retained the amount of gratuity should be raised since the new rate of gratuity is at one month's pay not half month's pay for each year of service.

(4) Military Pension Rules.

A separate Statement (Flag A) showing the remarks offered by the Comptroller and by the Chief Commandant is put in respect of the amendment to several rules of Appendix K. M.S.R. is put up for orders. The copy of the M.S.R in which the Financial Secretary made the necessary amendments in Appendix K. is also put up for reference.

raised in the letter has already been noted against rule 55 in statement A and kind orders are solicited thereon. The non-commissioned officers are not entitled to a pension (rule 56 App. K.) calculated on their allowance also. The inclusion of these officers in rule 55 in a draft a.c. slip cannot be taken as giving the additional benefit to the non-commissioned officers. The Chief Commandant therefore solicits orders in the matter of giving such concession to the pension cases of certain non-commissioned officers on hand

22-5-30

(1) The draft amendments shisheq mentioned may be approved

(2) The Inferior servants should not be permitted to both eat the cake & have it too. When the concession of Inferior Service has been allowed, art 290 may be treated as non est & deleted

(3) Art 334 (exception) may also be deleted. The principle of commutation in respect of persons below Rs 60/- p.m. being recognised, the exception under art 334 is only a variation from that principle, such variation from principle should not be allowed in case of pension.

OF HIS HIGHNESS THE MAHARAJA OF MYSORE,

No. 1583/Pen. *Bangalore, dated* 17th March *1930.*

E. Sheet

SH 25-80-8

From

S. SHAMANNA, Esq., B.A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

To

Rajasevaparayana
B. Srinivasa Iyengar Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Financial Department, Bangalore.

Sir,

With reference to your letter No.Fl.3388 dated the 16th November 1929 and subsequent reminders thereon forwarding for my remarks a draft Addenda and Corrigenda Slip to Mysore Service Regulations based on Government Order No.Fl.3287-336/S&A 164-28-3 dated 12-11-1929, I have the honour to return the same and to state as follows:-

(1) Article 272(b) Mysore Service Regulations

The words "or pension" will have to be added in line 3 after "Gratuity". In line 6 of (penultimate para 'and the pension on the inferior scale upon the average emoluments drawn when last in inferior service' will have to be added after 'service'. The note at the end of the Article should say 'The case of an officer whose total qualifying service is not less than 15 years out of which the portion which is superior is less than 10 years, falls under clause (a) etc'. The present note has to be amended accordingly.

(2) Article 280

Whether the amount of leave which can be reckoned as service in the case of inferior servants should remain unaltered or should be revised may be considered.

(3) Article 334

Whether the exception under this Article requires to be cancelled or amended in view of the new rules may be considered.

Rule

(4) Rule 47 of Appendix 'K' Mysore Service Regulations.

There ~~is~~ is a hiatus in the scale as 23/72 is not payable for any service. Whether this may not be avoided by starting the initial pension for 15 years at 19/72 of the average emoluments is for consideration. Rule 61 which has a similar scale starts with an odd fraction and avoids this hiatus.

(5) Note to Article 52(a) Appendix 'K'

In the draft A.C.slip the above note is copied without any change. It does not provide for an increment of pension for a service in excess of 15 years but below 18 years. Whether any increment is to be allowed for the intermediate periods may be considered.

(6) Rules 68 of Appendix 'K' -

For the phrases 'For service between six and twenty one years' and 'for twenty one years' occuring in lines 2 and 3, the phrases 'For service upto fifteen years' and 'for 15 years' are to be substituted respectively if the order is regarded as applying to this class of persons also

(7) ~~and~~ Rule 79 of Appendix 'K'

If the revised rules sanctioned in the Govt. Order of 12-11-29 is regarded as applicable to Chapter VII also of Appendix 'K' to Mysore Service Regulations re. Wound and Injury Pensions and gratuities etc the words 'one month's pay for each year of service' will have to be substituted for the words 'three months pay' occurring in lines 3 and 4 on page 232 M.S.R., so as to be in conformity with ~~para 7 of the Government~~ order dated 12-11-1929.

2. In this connection, I beg to suggest that the Financial Assistant to the Chief Commandant, Mysore State Troops may also be consulted in the matter if considered necessary.

I have the honor to be,
Sir,
Your most obedient servant,

S. Thamaiah
